#### Notice to our Taxpayers:

The Tax Collector for Middleton is working on a part time basis only. Because she has a family to care for and has employment elsewhere, it is necessary that she be available only for certain posted hours. She will accept taxes at these appointed times, and if you are unable to be present during these hours please mail your payment to her.

Thank You,

The Selectmen of Middleton

## AUDITORS' REPORT

We have examined the books of the Town Officers and related statements for the 1979 fiscal year. Our examination was made in accordance with the state's auditing forms using such auditing procedures as we considered necessary.

In our opinion the books were correct as reported with the following exceptions:

1. The Treasurer's summary total for Interest received under the 1978 Tax Levy should be \$2,537.97, making the total Receipts \$491,208.63.
2. It appears the Town Clerk remitted \$27.00 too much to the Treasurer under Motor Vehicle Permits.
3. It appears the Property Tax Overpayments was \$38.00 more, making the total Debits \$272,806.90. On the Credit side it appears the Abated Property Tax should be \$.06 more, the Resident Abatements should be \$100.00, making the total Abatements \$11,564.93. It appears the Uncollected Property Tax should be \$37.94 more and Uncollected Residents Taxes were \$100.00 less, making the total Uncollected Taxes \$111,674.01 and the total Credits \$272,806.90

We were unable to balance the books from previous years using the Accountant's previous figures and amounts collected this year toward previous years. Also, some entries were not dated making it impossible to tell which year they belonged under.

We have submitted some general recommendations to the Town for future bookkeeping procedures.

### U. S. Department of Agriculture

John Badger, District Conservationist

Ray Wenninger, Design Engineer

Frank J. Vieira, Soil Scientist

Robert D. Hussey, Chairman, Strafford County Conservation

Theodore L. Kelsey, Recreation Specialist

Carl Schroder, Cooperative Extension Service

### Strafford Regional Planning Commission

Tom Cooney, Planning Director

### State of N. H., Public Works and Highways Department

Paul A. Laflam, Municipal Highway Engineer

### State of N. H. Fish and Game Department

Howard C. Nowell, Chief of Game Management and Research

George Morrison, Biologist

Richard Estes, Sargent

Peter Lyons, Sargent

### Town of Brookfield

Norman Royle, Selectman

Robert H. Charnock, Selectman

George Schribner, Planning Board

### Town of New Durham

Eloise Bickford, Selectman

### Nute & Nute—Town Council

Stephanie T. Nute Esq.

### State of N. H. Department of Revenue Administration

Raymond J. Damour, Director of Property Appraisal Division

We wish to express our sincere thanks to all who participated in the meetings in Middleton and who assisted in the preparation of a report of over 200 pages for our Town on this important matter.

A special thank you is given to Mr. John Badger for his valuable assistance in heading up this investigation and compiling the information.

None of the agencies reported in favor of the proposal; therefore,

a legal notice of denial was forwarded to the developer, by the Planning Board.

Respectfully submitted,

MILTON E. RICH, Chairman  
Middleton Board of Selectmen

## MIDDLETON POLICE DEPARTMENT ANNUAL REPORT 1979

As the newly appointed Chief of Police for the Town of Middleton I want to take this opportunity to inform the citizens that I feel this is a great opportunity to continue my law enforcement career in a town such as Middleton.

My goal as Chief of Police in Middleton as it has been throughout my career is, to provide a high caliber of professionalism to the community, to be of help to all citizens, from the elderly to the youngsters, to ensure it's citizens with a feeling of security and lastly to establish a police department that the community will be proud of.

The Middleton Police Department would like to thank the people of Middleton who have cooperated in reporting suspicious activity in the Town. We ask that you continue and by so doing we may hope for a decrease in the crime rate, as a result.

On behalf of the Middleton Police Department, I would like to extend thanks to the Selectmen, the Sheriff's Department, the New Hampshire State Police, the Fish & Game Department, Judge Richard Cooper of the Rochester District Court, all Special Officers and to all Middleton residents for their fine cooperation during the year 1979.

The Town of Middleton wants to extend its appreciation to the Company of Charles DiPrizio and Sons for the assistance received during the many years. This assistance was shown to be of great value during the recent renovation project on our Town Hall. Much of the materials used were purchased from DiPrizio's and after the total had been arrived at, a large discount was given to the Town. This is but one example of the contributions the Town has received from DiPrizio and Sons and we take this opportunity to thank them publicly.

## REPORT OF THE PLANNING BOARD

The Planning Board continued to work on a required master plan that will insure the orderly and fair growth of our Town. Several meetings took place; many on the proposed R. Q. L. Development; and many more on the master plan.

Reams of paperwork containing information relevant to the Town's needs in planning, were sorted and studied at length. The Board was the recipient of much assistance from the Strafford Regional Planning Commission. Expenses to the Town were minimal.

Respectfully submitted,

PAUL BOURQUE, Chairman  
GUY RICHARDSON  
THOMAS DOWLING  
EDGAR RANDALL  
MILTON RICH  
HAROLD SPARKS, Alternate.

## REPORT OF THE BOARD OF ADJUSTMENT

The Board of Adjustment met on several occasions to study and act on requests for variances. The R. Q. L. proposal was the most difficult and important decision the Board has been called on to make since its inception. There was no expense to the Town incurred.

Respectfully submitted,

GUY RICHARDSON, Chairman  
KENNETH ROGERS  
CYRIL WIGGINS  
ALFRED POULIN  
PERLEY LEE, Alternate

## REPORT OF THE MIDDLETON FIRE DEPARTMENT

In the past year, the Fire Department has taken some positive steps towards making the town of Middleton a safer community in which to live. In doing so we have many people to whom we owe a debt of gratitude. This past summer an auction was held at the Town Hall and Richard Harriman was very generous in giving the proceeds from a trailer he donated to the Department. The Farmington Fire Department has donated a small generator and helped us in acquiring our jeep. Charles DiPrizio and Sons Lumber Co. has donated to us the bright red siren that sits atop our newly painted building. Many other people have donated to us in labor and moral support. This is just as important as the material goods which we have received.

The Department takes pride in saying that the "Sirens" have come out of retirement. This is a wonderful group of ladies who have some generous attitudes towards the Department. For one, they have made it possible for us to have our own radio communications by donating the money for the radio receiver. They also have given us permission to acquire some other safety gear for the protection of the firemen. As soon as we receive the radio from the Motorola Co., we will be in business in earnest.

This Spring we should have most of the work completed inside the firehouse. We are upgrading our heating system, putting lockers in and building platforms for our other equipment to keep it off the floor. Most of this work will be done by the CETA group that our Selectmen have had working in the Town Hall.

As soon as we have our radio receiver in operation, we will send out to the community the Strafford County Dispatch phone number to call in case of fire.

Again, I wish to thank everyone who has been generous enough to contribute in any way towards the establishment of this much needed community service.

Respectfully submitted,

JOHN J. MAMMONE  
Fire Chief

# RURAL DISTRICT HEALTH COUNCIL

## ANNUAL REPORT 1979

During the past year the Rural District Health Council has continued to provide Home Health Care for the sick, and preventive medicine to the youth of today who will be healthier leaders tomorrow.

The Rural District Health Council continues to qualify as a certified Home Health Agency, implementing procedures to continue to provide quality care.

The priority service is the care of the sick program which provides nursing care in the home by the professional nurses. This year the Agency has negotiated contracts to provide occupational and speech therapy as well as physical therapy to its member towns. Also included in this program is the home health aide services through the contract with the Strafford County Homemaker, Home Health Aide Association, covering Strafford County, and the Portsmouth Area Homemaker, Home Health Aide Association, covering Rockingham County. The Council also employs two part time home health aides, Gail LaRosa and René Wormell. This enables the Council to better utilize the professional staff while continuing to provide quality care.

The care of the sick program has provided 4,989 combined visits to its member towns from January, 1979–October 31, 1979.

The agency's staff also conducts Elderly Health Screening Programs on Wednesday. Adults from the member towns are welcome to attend any of these screenings. They are held on Wednesdays. The first and third Wednesdays are held in Farmington and the second in Northwood, while the fourth is in Milton. This program is provided with no charge to the patient and includes blood pressure checks, diabetes and anemia screenings, nutrition counseling for special diets and weight control. The program has provided services to 601 patients with 77 new patients enrolled and 41 referrals made.

The Child Health Program is an active program with 821 children enrolled. Arlene Thorne, R. N., coordinator of the program, and Paula Davis, R. N., clinic nurse, have conducted 54 clinics from January, 1979–October 31, 1979. This program is offered to all children from any of the member towns, and includes physical examinations, immunizations, teaching and counseling for ages 0–6 years.

A Dental program is held for children ages 3–6 years which includes cleaning and flouride treatments twice a year with referrals to local Dentists for follow-up care when needed. It is funded by the Division of Public Health, Bureau of Pre-School Dental services.

The program provided service to 420 children.

The Child Health Program has provided 126 visits to newborn babies, and 891 home visits to assure continuity of care. School children are always welcomed for immunization. The program is funded in part by the U. S. Dept. of Health, Education and Welfare, N. H. Division of Public Health, Bureau of Maternal & Child Health grant, and the Rural District Health Council.

A space within the Rural District Health Council office is provided for the distribution of vouchers from the Supplemental Food and Nutrition Education Program for Women, Infants, and Children. (WIC) in conjunction with the Strafford County Prenatal Family Planning Program, Inc. The program provided service to 216 children from ages 0-5 years. The foods supplied are formula, dairy products, fruit juices and cereals.

The Rural District Health Council with the cooperation of Frisbie Memorial Hospital provides a discharge referral coordinator who assists the Social Service Dept. at the hospital and the patients physician to continue care when needed from the hospital to the patient's home. The hospital funds this program in part with the Council. 175 referrals have been made.

The strength of the Council lies with the dedicated staff who are, Mary Timmons, R. N., Supervisor, Arlene Thorne, R. N., Maternal and Child Health Coordinator, Paula Davis, R. N., clinic nurse for the Child Health Program and Coordinator for the Elderly Screening Program, Jean Germer, R. N., B. A., Referral Coordinator, Staff nurses are - Barbara Drew, R. N., Betty Coons, R. N., Myrtle Walsh, R. N., and Alice Zierga, R. N., BSN. This year the agency hired Joan Menez, LPN. Gail LaRosa and Rene' Wormell are Home Health Aides. Carl Scholl is Registered Physical Therapist, Susan Emerson, Occupational Therapy, and Ruth Cullinane Speech Therapist. Eleanor Eaton and Junellen Chase efficiently handle the office duties.

The Agency this past year has experienced a decrease in the full payment visit. Because of this the service fee income has shown a marked decline and has placed the agency in a financial bind. In order for the Council to continue to provide these many services to its member towns it will be necessary to increase the per capita to \$3.20.

Good health is a basic ingredient of a satisfactory life for all people. For older Americans this goal is more difficult to attain and maintain than for the remainder of the population.

During the past year the Council has made for your town 241 skilled nursing visits, 11 home health aide visits, 0 therapy visits,

25 child health home visits, and 49 children have attended the Child Health Program.

Anyone interested in additional information or needing services, may contact the Rural District Health Council, P. O. Box 583, 6 So. Main St., Farmington, N. H. 03835, or telephone 755-2202 between the hours of 8 A. M. - 4 P. M., Monday - Friday.

**1979 TAX YEAR**

**INVENTORY**

**OF**

**TAXPAYERS**

**Middleton, New Hampshire**

The Selectmen are including the complete valuations for the taxpayers of Middleton this year. The list is broken down into the following items:

| NAME | TOTAL | LAND | BUILDINGS | TRAILERS | MAP# |
|------|-------|------|-----------|----------|------|
|------|-------|------|-----------|----------|------|

Most of the items listed are self-explanatory. The last item, MAP#, is included this year to help the property owner identify his property as it is shown on the Town tax maps. The first number listed is the map #; the number after the — is the lot number. We hope to include these figures on all material related to the properties in town.

**SCHOOL WARRANT**  
**THE STATE OF NEW HAMPSHIRE**

**To the Inhabitants of the School District in the Town of Middleton qualified to vote in district affairs:**

**You are hereby notified to meet at the Town Hall in said district on the 6th day of March 1980, at 7:30 o'clock in the afternoon, to act upon the following subjects:**

- 1. To hear the reports of agents, auditors, committees, or officers chosen, and pass any vote relating thereto.**
- 2. To choose agents and committees in relation to any subject embraced in this warrant.**
- 3. To see if the district will vote to raise and appropriate ten thousand dollars (\$10,000.00); said sum to be deposited in a capital reserve fund in accordance with the provisions of RSA 35 for the purpose of financing part of the cost of a school bus.**
- 4. To see if the district will vote to raise and appropriate ten thousand dollars (\$10,000.00); said sum to be deposited in a capital reserve fund in accordance with the provisions of RSA 35 for the purpose of financing part of the cost of constructing an elementary school at some future date.**
- 5. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district.**
- 6. To see if the district will vote to authorize the expenditure of three thousand seventy-nine dollars and thirty-nine cents (\$3,079.39) which includes seventy-nine dollars and thirty-nine cents (\$79.39) in interest, the total of which was withdrawn from saving account #115157 and deposited in the general fund during the 1979-80 fiscal year, for the school district's share of the installation of a bulk gas tank and initial purchase of gasoline, as opposed to said sum of money being returned to the district as part of any unencumbered balance that may exist as of June 30, 1980.**

7. To see if the district will authorize the School Board to make application for and to receive and expend, in the name of the district, such advances, grants—in—aid, or other funds for educational purposes as may now or hereafter be forthcoming from the United States Government and/or state agencies.

8. To transact any other business which may legally come before this meeting.

Given under our hands at said Middleton this 15th day of February 1980.

During the course of the past year, the Farmington School District has been the scene of refining many meaningful educational activities and changes initiated during the past several years. Community groups and citizens have been encouraged to participate in joint school/community programs and to use school facilities in an effort to forge a partnership between the school and the town. Community interest in school sponsored programs and the use of school facilities has been encouraged through the activities of the Community Education Committee under the Chairmanship of Miss Anne Bryant, School Librarian, and the Adult Basic Education program under the leadership of Mrs. Elaine McLean, Elementary Guidance Counselor. Mr. James Bibbo, Supervising Elementary Principal has provided administrative support for the Community Education concept through his efforts with Mrs. Pam Lord, Community Education Coordinator and Mr. Robbie Fried, Community Education Consultant, State Department of Education. Mr. Fried has provided many suggestions on how to encourage community participation in our school system and was instrumental in assisting the School District to become the fortunate recipient of a \$3,000.00 Community Education Grant from the Mott Foundation and the Northeast Community Education Development Center located at the University of Connecticut at Storrs. In addition, Mr. Bibbo attended a two week seminar on Community Education in Flint, Michigan sponsored by the Mott Foundation. The professional staff and Mrs. Lord are to be commended on their efforts over the past several years to stimulate parents and citizens to participate in school related activities.

Administrative reorganization at the building level has been completed with the addition of a full time Assistant Elementary School Principal. Mrs. Andree 'Muffy' Tostevin who was selected for this position, has brought a combination of expertise and dedication to the Elementary system. With the completion of administrative reorganization, curriculum development has progressed as a school

system priority with particular attention being given to the reading, language arts and math areas as well as supplemental materials for the reading program.

As was stated in this report last year, School Administrative Unit #44 has as one of its priorities the implementation of the New Hampshire Accountability Plan. The purpose of this Plan is to review the educational programs of all districts in order to insure that the current curriculum, teaching techniques and testing procedures are providing an acceptable curriculum for our children. Faculty curriculum efforts in the areas of Social Studies and Science from throughout School Administrative Unit #44 were revised and consolidated this past summer by an Accountability Curriculum Committee composed of teachers from the various school districts. John Schultheis and Eric Johnson served on this Committee as the teacher representatives from the Farmington School District. With the completion of the Science and Social Studies elements we have completed a standard core curriculum in the basic subject matter areas for use throughout the entire School Administrative Unit. The presence of a core curriculum should assist our beginning teachers and increase the ability of all teachers to focus on the development of basic skills in all of our pupils.

Special Education continues to be a source of concern as Federal and State law continue to mandate the development of programs while leaving the bulk of the responsibility for financing such programs on the local property tax. While Middleton should be commended for the financial effort that it has demonstrated during the past several years to provide for children with special needs, Farmington as the Receiving District under the provisions of the AREA Agreement must address the need for additional space for resource room services. While I am very aware and sensitive to the needs of children with special needs and the importance to provide adequate space for these programs the local property tax can no longer be expected to bear the full weight of the burden. I would strongly recommend that Middleton citizens encourage their representatives to seek passage of legislation at the State level which would place the burden of financing these programs on the State through the passage of a property 'tax cap'. As I stated above, if the Federal and State governments are going to mandate these programs they should provide local school districts with sufficient funds with which to finance such programs.

As I view the coming school year I see the following as major needs of the Farmington School system: 1) the development of a comprehensive Jr. High School curriculum; 2) additional classroom

space and also adequate space for the special education, music, art, physical education and work/study program teachers; and 3) an emphasis on providing instructional equipment and materials to the current high school staff who have given an outstanding performance to the children this year.

In addition to supporting the Farmington School Board in its attempts to accomplish the needs cited above, I feel that Middleton citizens should give considerable thought to voting 'Yes' on the article in this year's warrant which would authorize the creation of a Capital Reserve Fund for the construction of an elementary school at some future date. In a study conducted several years ago by the Superintendent's Office, Middleton was almost at a "break even" point in terms of supporting its own elementary school. I believe that it would be valuable and in the best interest of the District if Middleton voters voted to create a study committee to investigate the feasibility of building an elementary school in the future.

In addition to such normal responsibilities and functions as providing assistance and support in the areas of curriculum development, teacher selection and supervision, and preparing Federal and State reports, this Office has been working closely with your School Board to initiate the new school financial accounting system referred to as **FINANCIAL ACCOUNT CLASSIFICATION HANDBOOK II REVISED** which is required by the State effective July 1, 1980. The Superintendent's Office has also been active in attempting to obtain Federal funds under the National Energy Act for the specific purpose of enabling the Farmington School Board to institute energy efficient measures in the schools.

In summary, we wish to express our appreciation to the members of the School Board and the pupils and citizens for the cooperation exhibited during the past year. We look forward to a long and productive relationship in which our mutual goals will continue to be the best possible education of our young people.

Respectfully submitted,

BARRY L. CLOUGH  
Superintendent

## MIDDLETON SCHOOL BOARD REPORT

The Middleton School Board would like to briefly bring you up-to-date on this year's activities. We have increased our meeting times to regularly scheduled monthly, evening meetings which has allowed us to keep abreast of personnel and curriculum changes in the Farmington schools and deal promptly with all issues raised for Board consideration. We have attended and been invited to take part in the Farmington Board meetings. We also have attended and voted at the School Administrative Unit District meeting and various other pertinent workshops and State School Board meetings.

Locally, we initiated installation of the gasoline tank and purchase of bulk gasoline to be shared by all town use vehicles. Communications have been expanded between School Board members and the Selectmen which facilitated the flow of monies between the town and the School District. Bus policies and regulations were revised, and a letter was sent to all Middleton parents explaining these procedures, listing meeting dates and times, and encouraging input from parents. We also had traffic signs installed in dangerous areas for increased safety for all of our students.

In the coming year we would greatly appreciate and welcome any comments, suggestions and questions.

Respectfully submitted,

PATRICIA RITTERSDORF

## TITLE I ESEA REPORT

The Title I project working with remedial readers has been a successful program and of great benefit to those students that it serves. There have been some problems with the program because of a high rate of teacher turnover, rapid program expansion, lack of working space and marginal parent involvement.

Parent involvement has increased, but the need for more active involvement is necessary if the federal regulations are to be met which allow the program to continue. The remedial reading program is funded solely by federal funds and constitutes upwards of \$50,000 used on supplemental reading services for students with reading problems. We are presently serving 126 students in the Farmington Elementary Schools.

This year a home-school coordinator's position was added to the Title I project in order to bring communications between the school and the home closer and to accomodate parents whose jobs and circumstances do not allow them to visit the school during the day. This position has been most successful in bringing information to parents and in keeping the home and school abreast of problems. I am confident that Title I will continue to improve its program and procedures in the future; continuing to be a valuable asset to the school and the students.

The Advisory Council has been active and those parents who serve on the council have given a lot of positive input into project improvement. Hopefully, the energies of these parents will continue and more parents will take an active role in helping to ensure the success of Title I and its continuation.

Respectfully submitted,

JAMES V. BIBBO  
Project Manager
